

PSI Arizona Chapter Resource List
(formerly AZ Postpartum Wellness Coalition)
Warmline 1-888-434-MOMS

DISCLAIMER: The providers in Part 1 on this list have attended the PSI professional certificate training on perinatal mental health and offer services to pregnant and postpartum women.

*The * indicates attendance at the 2-day training.*

Other providers listed in Part 2 are interested in providing care to perinatal women, but have not necessarily had additional training in perinatal mental health.

PSI AZ Chapter does not assume responsibility for verification of credentials, or consumer reports.

MEDIA CONTACTS:

Dr. Pam Barnes-Palty: 303-594-2882

DeAnn Davies: 928-367-6550

Online support meetings are available every week through Postpartum Support International both in English and Spanish. Go to: www.postpartum.net/psi-online-support-meetins/ to sign up. A great way to get support without leaving your house. Grab a cup of coffee, your phone or laptop and share your story, or just listen. Meetings are currently on Tuesday and Fridays (2016).

Counselors/Therapists:

*East Valley Perinatal Network

The East Valley Perinatal Network (EVPN) is a Dignity *grant funded* program made up of a Community of Care Network. Our community of care consists of Women's Health Innovations (WHI) as the lead agency, The Pregnancy Care Center of Chandler and Gilbert and Postpartum Support International AZ Chapter. The grant provides free or low cost counseling and coaching services to mom and families in the East Valley (including Scottsdale, Tempe, Queen Creek, Gilbert, Mesa, San Tan Valley, Chandler). If you are speaking to a mom from the East Valley please feel free to refer them to the EVPN. Our coaches will do a full assessment and walk alongside moms to ensure follow through/up with services. We have grant funds to cover services.

480.339.7119

Terra's Place was created to help mothers, fathers, and families struggling with perinatal mental health by four therapists with advanced training through Postpartum Support International. All therapists have completed the 2-day training certificate in perinatal mental health. We offer individual and family counseling, Mindful Motherhood groups, Seven Sisters for Seven Days postpartum planning classes, and Postpartum Progress Support and Therapy Groups. We keep open appointments each week for new patients so that you don't have to wait long for a first appointment. Terra's Place providers use a trauma-sensitive approach and evidence-based therapies, including hypnotherapy, Mindfulness-Based Stress Relief, EMDR, CBT, and Interpersonal Therapy to help moms and families heal.

Most insurance accepted, including Tri-Care.

Cash Fee is \$85 per individual session, \$25 per group session, and \$120 per class.

Valley Hospital's Women's Program offers the following services:

- A full continuum of mental health services exclusively for women
- A professional team of psychiatrists, master's prepared therapists and 24/7 nursing care
- Development of a collaborative interdisciplinary treatment plan
- Integration, education and coordination with primary care providers and the referring agency
- Active, individualized discharge planning
- Gender-specific specialized groups
- Diagnosis and medication education unique to women
- Relapse prevention, medication compliance
- Access to chemical dependency groups, AA and NA

Our treatment team utilizes evidence-based therapies to address trauma and crisis, grief, loss and anxiety. In our Women's Program, there is a focus on life skills, self-image, coping skills, anger management, relationships and developing healthy boundaries.

Psychiatric Assessment and Treatment

Perinatal Psychiatry Clinic

Saira Kalia MD

Location: Banner University Medical Center - South 2800 E Ajo Way
520-874-7523

<http://psychiatry.arizona.edu/patient-care/perinatal-psychiatry-clinic-0>

Our inclusion criteria are: - (Any one criteria is enough)

- Postpartum up to 9 months
- Currently pregnant
- Breastfeeding
- Trying to conceive/ Planning a pregnancy and currently on psychotropic medication

We are unable to offer services to patients with ongoing substance abuse as the program is still young and we need more services in place to ensure services at the standard of care. Our next step will be to provide these services at the Whole Health Clinic at Banner to reach more AHCCCS patients however, this is not operational yet.

Appointment line 874-7523, We are Preferred Providers for most insurance companies (AHCCCS Plans are excluded). We call and verify patients insurance prior to scheduling an appointment to ensure we are providers for their plan. Following are a few of the plans that we are contracted with: UBH, Cigna, BCBS, Aetna

HELP FOR VETERANS-WHS News

Perinatal Depression and MomMoodBooster

[MomMoodBooster](#) is a free online program, funded by the VA Office of Rural Health, and designed to help women Veterans recover from postpartum depression. Women complete six sessions and receive calls from a phone coach. In addition, the Program includes online access to a library and an optional partner support website. Note: Screening should be implemented with adequate systems in place to ensure accurate diagnosis, effective treatment, and appropriate follow-up. For additional information and eligibility requirements, please contact Dr. Michael O'Hara at michael.ohara3@va.gov or click [here](#).
